The Ship:

The largest, most sophisticated and powerful ice breaker ever constructed. Twenty years in the making, she is the first Arktika-class ice breaker to have a spoon-shaped bow. She can break through ice up to 2.5 metres thick, enabling us to reach the North Pole. Complete with a helicopter for shore excursions, Victory is a ship unlike any other, with the ability to go where other ships cannot.

On Board:

- All-inclusive bar and beverages
- Chef prepared meals (all included)
- One dining room with unreserved seating
- Aft Saloon for presentations and socialising
- Victory Bar with exterior views, open from afternoon to late evening
- Gym, two saunas, and small swimming pool
- Passenger elevator
- Polar library
- Onboard helicopter landing pad
- Clinic with licensed doctor
